

Customer Contribution Limits:

Customer responsible for 10% of the repair costs Up To \$2,500, whichever is less.

Without (E.P.P.) the customer is always responsible for 100% of all repair or replacement costs, up to the Manufacturer Suggested List Price (MSLP) of the equipment, plus the rental amounts due during the period that the equipment is being repaired or replaced (downtime costs).

The Equipment Protection Plan (E.P.P.) is NOT an insurance policy. The (E.P.P.) is an extended rental protection plan to account for possible damages that may occur during the rental period. While the (E.P.P.) is completely optional, it is recommended to maximize your total protection while renting equipment.

Fee:

Customer shall pay a fee equal to 15% of the rental charges under the Rental Contract, plus applicable state and local taxes, in exchange for participation, in the (E.P.P.) as set forth in this Addendum and section 14 of rental contract.

Tire Coverage:

For every tire puncture/flat tire event, the first \$50 of this repair is covered under the (E.P.P.) All other is the responsibility of the customer if repair exceeds \$50. We do not provide roadside tire repair.

What is NOT Covered:

- Damage due to intentional misuse/abuse of equipment
- Damage from any operation consistent with building demolition, loading of demo debris
- Damage to tubes, tires, tracks; Ammendement: First \$50 tire puncture/flat covered
